

10th IPv6 Council Belgium

2017:4::19/10

Eric Vyncke

Carl Wuyts

Foreword

- There is no competition in this meeting, just moving the IPv6 needle forward
- This is a PUBLIC forum 😊
 - Expect your words to be on twitter in minutes
- No stupid question
- We are all in learning mode

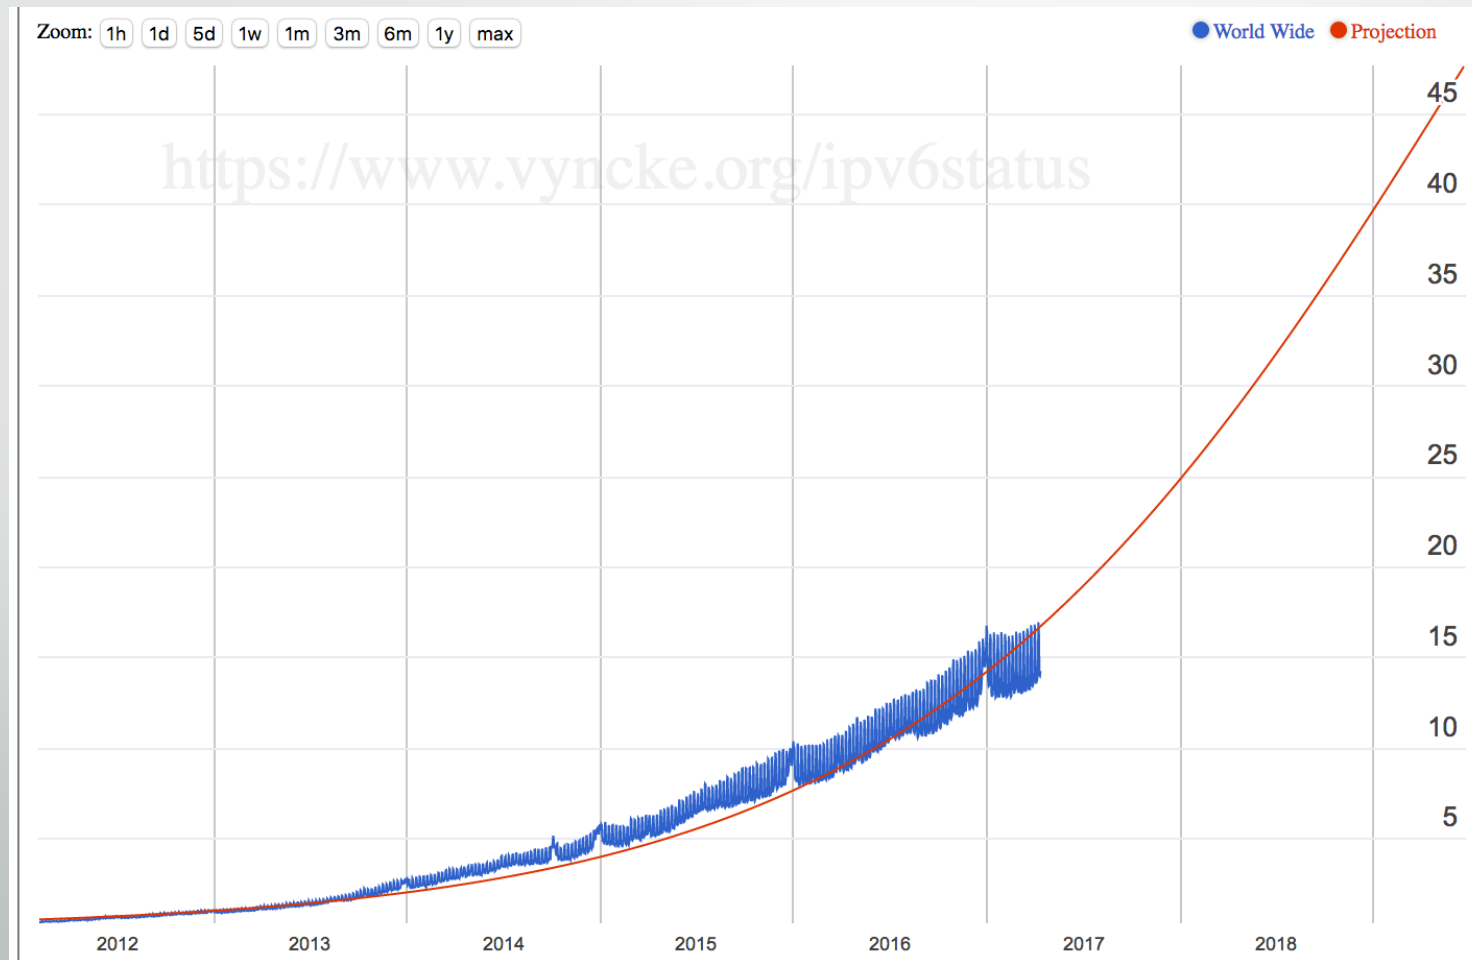

More on Public

- Feel free to tweet quote & picture
 - #IPv6_BE (else send to @IPv6_BE)
 - <https://www.facebook.com/ipv6.be>
